

## *Creative Corrugated Solutions*

### SERVICES AVAILABLE

- **CORRUGATED PACKAGING**

We offer a wide variety of corrugated designs from Regular Slotted Containers and Half-Slotted Containers, to Die-Cut Trays, Inserts, Dividers, and much more!

- **DESIGN CONSULTATION**

Our in-house design team gather and analyze critical information from our clients and propose the exact box design to meet the strength requirements and practicality for your merchandise.

- **COST-SAVING SOLUTION**

We periodically review and recommend alternative solutions to reduce cost while maintain quality.

- **PACKAGING CHAIN MANAGEMENT**

We excel in Run-and-Ship/J.I.T. deliveries. We can coordinate with your production quantity and schedule, minimizing warehousing at your facility.

### CREATIVE CORRUGATED SOLUTIONS THAT WORK FOR YOUR BUSINESS

Southland Box Company is a leading independent manufacturer of custom made, corrugated packaging. We opened our doors for operation on November 15, 1990 in the industrial city of Vernon, CA. Along with our parent company, Tomoku Co. Ltd. in Japan and a global network of over 18 factories, Southland Box is one of the most innovative, experienced, independent converter of corrugated products. With over 60 years of technical expertise, a reputation for reliability and unparalleled service, we strive to be the best partner for our clients and meet all your packaging needs.

As the leading Japanese capital corrugated manufacturer in the United States, we follow the Japanese philosophy of Kaizen. We consistently focus on improving our production processes, personnel training, and unrivaled support for our clients.
